

Again, what a year...
 May it be another beautiful year for everyone, with peace and tolerance for everyone.

The end of the year is approaching and as always, lists are being made for; the Top 4000 or -2000, Christmas gifts, Christmas wishes, good intentions and time for yourself and others.

Looking forward to the European Football Championship in Germany and the Olympic Games in Paris is a sporty experience, and it is also time to look forward to your holiday, whether it is for a short or longer stay.

The first reservations for the new year are already in the agenda, new guests and our loyal returning guests. We are very grateful for that and find it very special. Even now after 17 years.

Perhaps you are the guests we can greet again in the new year in our Bed & Breakfast in Alhaurin el Grande or our apartment in Málaga center. ¡Hasta Pronto!

Thank you to all guests of the past year for visiting our Bed & Breakfast or our apartment in Málaga.

Experience spring in Málaga...
 We have entrusted the rental, cleaning and reception of our apartment to REMS, and we can now conclude that it was a very good choice!

Málaga, with various activities such as Carnival and Easter, there is always something to do or just enjoy fine restaurants where price and quality can still be appreciated. e.g. [d'Platos](#) or [Kraken](#) what we call tapas 3.0!
 Or just a terrace, shopping or a day at the beach.

Booking directly via our website is possible:
