The wet spring!

The rain and especially the amount in Andalusia has been in the news often. It was a lot, the reservoirs are filled again for about 70% and offer certainty for the next 2 years. Our garden has also benefited from it, the weeds are blooming luxuriantly and the amount of olive blossoms is immense, now let's hope that they will all become olives.

New in the range

This alcohol-free wine (0.0) is made like any other white wine. The Moscatel de Alejandria grapes give this wine a beautiful golden yellow color and a fresh, slightly sweet taste. The scent is rich with notes of roses, pear, peach and citrus fruits recognizable. During the summer there is also a Rosé variant.
